Initiation: Welcome New Ladies

By Audrey Brace

January 23rd, the current sisters, associate members, and a few graduated sisters (with one via video) gathered for Initiation. Five new women were made official members. It was a very memorable night, especially for the five newly initiated sisters: Alexis McEnroe, Allie

Sister Spotlight

We welcome to the spotlight Caroline Hewitt! From Fishers, Indiana, she is a sophomore double majoring in English and Linguistics and minoring in Mandarin Chinese. She definitely knows how to keep busy and be awesome at it. Her favorite class is quite the mouthful, HIST-A 300: The Postwar Prison at Heritage Trail Correctional Facility through the Inside Out Prison Exchange Program. This class fosters communication between students and those who are incarcerated through facilitated dialogue on social issues. She is also eager to be taking two linguistics courses, a creative writing course, and her Chinese course. These classes combined could be called "Caroline's Passion." In addition to classes, she is currently a copy editor for the Indiana Daily Student. She is right on track for pursuing a career in editing and publishing!

Caroline has had so many great moments with Chi Delta Phi this year that it is hard to name just a few. One week ago, she witnessed her Little being initiated and joining Lily's Line. Caroline also enjoyed the Pastor Panel we had last fall where we discussed social issues and differences among representatives of the LCMS and ELCA. Underneath it all, the social bonding and the building relationships is what makes Chi Delta Phi real from Dad's Day to the High School Musical 10th Anniversary event. She is looking forward to what the rest of the semester has to offer!

January Birthdays

Maria Guido turned 20 this January 24th!

Happy Birthday!

Hamilton, Audrey Brace, Brittney Springstun, and Mariah Donley. After the ceremony and pictures, the festivities continued. Everybody enjoyed a meal together and indulged in some cake.

During dinner, the Bigs presented their Littles with their decorated paddles.

As a newly initiated member, it was an important night for my fellow initiates and me. We were all incredibly excited, eager, and a little nervous from all the sorority initiation myths we had heard all our lives. We were given a lovely ceremony and we are thankful for all of our sisters who worked hard to put the whole thing together. A great initiation is a great start to our lives as official Chi Delta Phi sisters.
